

When I had a lot of time on my hands, I tended to sketch a lot. Lots of things swarmed in my head and I tried to get them down on paper as often as I could. I still do some, but not as much as I used to. No matter what, though, I never got any good at it. I was OK but not great. Here are a few samples of things I drew through the years.

[Aliens & Creatures](#)

[Tech & Starships](#)

[Locations & Places](#)

[Stuff I drew as a kid](#)
