MACE West 2020	2020-02-29 : DM Scotty, my two Reich Star games and lots more gaming!
Marshal v. Charlotte 49ers	2019-11-23 : A miserable football day - wet and cold. But the game was incredible. Thanks James for paying. Charlotte is bowl eligible for the first time in school history!!!
MACE 2019	2019-11-08 : 23rd annual tabletop gaming convention. Great growth, expanded crafting track (of which I got to see none of), more gaming than ever, and my games were great. Concentrated on Savage Reich star and they were awesome.
Titans v. Carolina Panthers	2019-11-03 : Keegan's Birthday present. Panthers won! It was a great day with my wife and my son
Scott Stap/Sunflower Dead/Messer	2019-10-01 : Scott still has it. He's an amazing singer. It was a very small venue on a Tuesday night but made it more fun for us. I think Scott deserves better but he's bouncing back from a lot. Great music!
Charlotte 49ers v. Clemson	2019-09-21 : What do you expect when you play Number 1 in the country and the defending National Champs. A serious beat down. 52-10. But oh, the drive home. That was fun.
ConCarolinas 2019	2019-06-07 : Worth noting because it was after the ousting of HER - she who stabbed both my wife and myself in the back in 2012. Chickens came home to roost and it was enjoyable. It has recovered from all that drama and politics and now building on its own. Jeff and I also won a Rebel Award from DeepSouthCon/SFC. I also won the much maligned Rubble Award... for recruiting HER in the first place.
MACE West 2019	2019-03-04 : DM Scotty, Dave Miniature Mashup OGara, and lots of gaming and fun.
LA Clippers vs. Charlotte Hornets	2019-02-05 : My son's basketball team got tickets and they had extra. NBA is not really my thing but this was a fun night out with my son. And it was a close game. Really enjoyed it.
Toronto vs Charlotte Checkers	2019-01-20 : My son's school sang America the Beautiful. So we got tickets, a hat, and had a interesting afternoon out with the young ones. Hockey is not my thing but it can be fun on occasion. I had my fill now.
Belk Bowl 2018: UVA vs UofSC	2018-12-29 : Great time with the boys. Dad, my son, his cousins, my brother and brother-in-law. UVA viled them 28 to nothing.
Panthers v. Cleveland Browns (at Cleveland)	2018-12-09 : Great seats! Great experience in the city. Bad game. 20 to 26, Browns win in a nail biter. Of course, it ends with a Cam interception.
Savage Shatterzone Conversion	2018-11-26 : Working on a conversion to Savage Worlds. I want to return to this setting
MACE 2018	2018-11-19 : 22nd annual and it was a lot of fun. About the same in attendance as last year but less miniatures, ore RPGs and board games. Lots of crafters and crafting. 5 youtubers came out and supported us. Gave away a 3D printer and a tone of other crafting items. It was an incredible weekend. Both games filled up. Savage worlds Flash Gordon & Reich Star
App State V. Charlotte 49ers	2018-09-08 : Bad seats (in the App State side), bad football (49ers were out-classed). 45 to 9. Thanks for the tickets, though, James.
Savage Star Frontiers Campaign	2018-09-07 : The Mysteries of Voltarnus await, Savage Style
Auburn U. vs. Washington U.	2018-09-01 : Incredible experience! 2018 Chik-fil-a College Season Opener in Atlanta new Stadium. Good start to the year! WDE
Panthers vs. Miami Dolphins 45-21	2017-11-15 : Incredible experience! It was VERY COLD but I loved going to the game with my wife.
MACE 2017	2017-11-15 : 21st annual and it was a lot of fun. had to make room for the Dolphins on Sunday (Monday night game with the Panthers) which cased stress. There were a lot of ups and a few downs. We were down in attendance but after 21 years, you can't always go up. It was awesome meeting DM Scotty!
Evanescence: Synthesis Live With Orchestra	2017-10-28 : Enjoyable music although she mostly played the songs I normally skip. She has an incredible voice!
RonCon Fall 2017	2017-09-28 : Pretty good turn out, 8 people. I ran a 5 player Shatterzone, first time in 20 years. The game has its flaws. Needs to be simplified.
Auburn @ Clemson 2017 College Football	2017-09-12 : Last minute tickets (\$\$\$), scramble to find babysitters (thanks Grandma!), and a mad dash to get to Clemson in time (a place I had never been too). Good game but Auburn lost, 14 to 6. No offensive line what-so-ever and QB got sacked 11 times. Terrible. Returned home by 4 AM. Long night! Well worth it.
Rock the Park, Carowinds. Skillet	2017-06-10 : One of the best concerts I have seen! Awesome family outing
ConCarolinas 2017 (Gaming)	2017-06-02 : Gaming had less space but better turn out. We were close to packed.
MACE West 2017	2017-03-29 : Had a blast. Ran 3 board games and 1 RPG. All were either full or close. Ran my second installment of the Reich Star adventures and everyone had fun. There is something about MACE West that makes it special. I hope it continues but recent news make me worry.
RonCon Spring 2017	2017-03-11 : Another private, invite only game day I host at my parents lake house. Ran a Call of Cthulhu adventure - Genius Loci. Made some changes to the overall plot. Played the asylum curator a little too well because now a player wants to hunt him down and continue the campaign.
mini-mace 2017	2017-01-28 : Ran two games - CoC and Scythe. Playing another - Champions of Midgard. Enjoyed them all. Largest mini-mace ever! Over 100 attendance. We may need to think about a new location.
MACE 2016	2016-11-18 : 20th Anniversary. All four of my games were full and I had a blast!
RonCon Fall 2016	2016-09-25 : Had a good turn out, ran Titansgrave one shot and Sheriff of Nottingham
ConGregarate 2016	2016-07-15 : Highly disappointed on how gaming has developed for this con. It has not at all and I don't see that changing. I think the aspects of cosplay and gaming do not mix well.
ConCarolinas 2016 (Gaming)	2016-06-09 : My focus was gaming and that is the only place you saw me, for the most part. From a gaming point of view, I had a great time. Played A LOT of games. Cthulhu Wars was awesome! Everything else I tried to ignore.

Ron's Other List

MACE West 2016	2016-03-26 : Had a blast. Ran 3 games with 4 or more players. That has never happened before but maybe because I am running more Savage Worlds. Ran Call of Cthulhu 7e (Restoration of Evil), and two of my own adventures in Savage Worlds. One is for Battle for Oz - the second draft of The Emerald Knight. And then the second was another version of my Vermin of Sarin Prime in The Last Parsec setting.

RonCon Fall 2015	2015-09-18 : Another great RonCon in the books. Ran A Savage World conversion of Fright Night: GHOST SHIP with a few little personal twists. That was awesome! Then played Space Movers ... loved it!!
Charlotte 49ers Home Opener!	2015-09-13 : 49ers 34 / Presby College 10. Total defensive domination but the offense was conservative. They switched up QBs a lot I guess because MJ is a senior. Or maybe he was hurt and I missed it. Encouraging game. Now the real fight begins!

Charticon 2013	2013-08-10 : A small Transformers con convention. I attended for about an hour (yes, I paid a full day to be there for an hour). I wanted to support locals cons while at the same time bond with my son. He had a great time.
Panthers Vs. Bears	2013-08-09 : Panthers Preseason Opener 2013. Not a fan of preseason but it was good to see the starters for a little while. Left early because I just could not get into the game. It's preseason.

Origins 2013	2013-06-15 : First Origins. Awesome!
MACE West 2013	2013-04-13 : Great con. But it has struggling. Virtually no growth in 3 years. We need 50 or so more people and we would be fine.
RonCon Spring 2013	2013-03-09 : Not the best I have had but still it was fun. Perhaps it has peaked. I dunno. RonCon Fall is not certain.
Mysticon 2013	2013-02-24 : First time at a Virginia con, and it was fun. They are all not that much different up there. Good con, a little crowded bit only because they had Peter Davidson (Dr. Who, 5th Doctor), Orson Scott Card, and Larry Elmore. Incredible line up.
SCARAB 2013	2013-01-20 : Fun con where Jeff and I go to play. Did a little of that but also talked a lot of con shop with the SCARAB, Stormcon and Gnomecon folks. With the big RoundCon announcement, it kind of put us in the middle of it all.
MACE 2012	2012-11-07 : AWESOME! Best MACE ever!

Starrise at Corrivale	2012-07-22 : Took me almost a year but I finally finished this book. It's not a big book, just slow. I am not entirely sure I like Diane Duane's writing style. But the last two chapters made the book. It could have been a lot shorter book.
